March 2022

Hi All!

Spring will be here soon! We are ready for some warm weather! We have been very busy at school. The children really enjoyed our five senses unit, especially the tasting party and painting with delicious smelling strawberry Jello mix.

This month we will learn about Dr. Suess and enjoy reading some of his popular books. We will also learn the nursery rhymes Little Boy Blue and Old Mother Hubbard. We will focus on the color green and the rectangle shape as well as study musical instruments, dinosaurs, rainbows, and wind. St. Patrick's Day will most likely bring a sneaky visitor, the Leprechaun!

Dates to remember:

March 2nd -Dr. Suess' birthday

March 9th - Chapel

March 11th -Green Day

March 18th -St. Patrick's Day fun

March 23rd - Chapel

April 4th -8th - Spring Break. We hope you have a fun and relaxing week with your families!

Thanks,
Erin Noegel and Heather Motrynczuk
